Fees for authorization procedures for the safety mark regarding electric low voltage equipment

A. Authorization fees

Authorization fees will be calculated as listed below:

- Tradename (at least one) x number of types/models = designation

The following amount will be charged for each authorization based on a test report for the marketing of products with the safety mark:

a) for one designation	CHF 460.--
b) for two designations	CHF 530.--
c) for three designations	CHF 610.--
d) for four or more designations	CHF 700.--

For checking the documents and establishing the file we have to charge an additional fee of CHF 480.--.

For renewals of authorizations an additional fee for handling the documents will be CHF 220.--.

Additional expenditures connected to the granting of admissions or authorizations, such as

- requests for missing documentation after receipt of our order confirmation
- extraordinary expenditures for the examination of documentation (over 2 h) will be billed according to the time expended.

The authorization fee contains the following expenditures:

- Administration (correspondence, checking the documents regarding completeness, mailing etc.)
- Issuing and managing of the admissions / authorizations
- Ongoing publication of an index of valid authorizations at www.esti.admin.ch
- Information prior to expiration of authorization
- Keeping the file in our archives during at least 13 years and/or for 10 years after expiration of the last extension
- Deleting of the authorization after expiration
- Mailing, phones, fax, copies, expenses, etc.

B. Supervision of production / factory inspection

The assessment and the handling of inspection protocols for the production supervision will be charged according to time expended.

C. Refused applications for authorizations

Should an application be cancelled or if the obligations for the authorization have not been fulfilled, the expenditures will be charged according to the time expended.

D. Consultations

Consultations or eye inspections will be charged according to expenditure of time.

The prices for the authorization are excl. VAT
